

Baker & Daniels Knows China

Baker & Daniels LLP is the only law firm in Indiana with licensed offices in China, and one of less than 20 law firms worldwide with multiple licensed offices in China.

We have been helping individuals and companies from around the world do business in China and other Asian markets for more than a decade, as well as assisting Chinese companies and individuals with business investments in the U.S.

Whether in our offices in Indiana, Beijing or Qingdao, you'll find experienced attorneys fluent in English and Mandarin available to help with your business needs.

For more information on our China or international practice, visit our website, www.bakerdaniels.com or contact Joe Kimmell, joe.kimmell@bakerd.com or Angie Castille, angie.castille@bakerd.com.
